California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Juan Carlos Ramirez, Principal

Principal, Para Los Niños Gratts Primary Center

About Our School

Para Los Niños – Evelyn Thurman Gratts Primary Center opened its doors on September 7, 2010. Our school is chartered through the Los Angeles Unified School District Public School Choice Initiative. Para Los Niños has designed and operates the instructional program for students residing in an attendance boundary designated by LAUSD.

PLN –Gratts Primary Center serves students in transitional kindergarten, kindergarten, and 1st grade. Total enrollment for this year is 329 students. We employ 18 faculty members and 18 other staff.

Our Beliefs:

Para Los Niños' experience working with infants through 8th graders, along with on-going research into what constitutes best practice in education around the country, has led to our understanding of how learning best occurs. It is this educational philosophy and point of view that provides the foundation upon which we have developed our instructional program. We believe:

Children learn best when the learning is purposeful and has personal meaning.

Children learn best when actively involved in the learning process through hands-on and first-hand experiences.

Most children perform best in literacy when they have first established fluency in their primary language.

Learning to ask questions is fundamental to extending learning that contributes to becoming life-long learners.

A child's learning increases when they are in a safe environment where they feel comfortable to take risks.

Children learn best when specific and purposeful attention is paid to the development of a relevant and interactive school environment.

Our Goals:

PLN-Gratts serves students embarking on the first steps of their educational journey. Our overarching goal is to set a solid foundation for each student in order that they may be successful in school and in life. More specifically, the PLN-Gratts

Primary Center intends to ensure that all students: feel safe at school and at home; have access to the support necessary to maintain good physical and mental health; develop the foundational skills necessary to be successful in 2nd grade and beyond; develop a positive sense of their own capabilities and are excited about learning.

School Description and Mission Statement - Most Recent Year

The building blocks for a strong educational foundation at Para Los Niños – Gratts Primary Center include: Responsive Classroom, Balanced Literacy, Math, English Language Development, Physical Education and Interdisciplinary Units of Study in Science, Social Studies, Music and Art. Our program is staffed with 18 Certificated teachers including a Physical Education teacher and Resource Specialist, one Library Coordinator, and 16 Teacher Assistants. In addition, we have a Principal, Assistant principal and family advocate who provide additional support and Evaluation. We have two instructional programs introduced to our families prior to registering: a Transitional Bilingual Education (TBE) and a Structured English Immersion Program (SEI). Within these two models, students interact with a curriculum that is engaging, stimulating and developmentally sound. The TBE is designed to provide a gradual transition into either an SEI program or a mainstream English program as students gain fluency in the English language, progress through grade levels, and gain fluency in English. Subject matter instruction takes place in the primary language (Spanish). Children initially receive instruction in Spanish in core subject areas, along with English Language Development. English is the language of instruction for all subjects in the Structured English Immersion program. Children also receive English Language Development lessons on a daily basis. Teachers use instructional strategies to help children with limited English skills understand lessons.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2013-14	2014-15	2015-16	2015-16
With Full Credential	18	18	18	
Without Full Credential	0	0	0	
Teachers Teaching Outside Subject Area of Competence (with full credential)				

Last updated: 1/29/2016

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	--	33.0%	44.0%
Mathematics (grades 3-8 and 11)	--	25.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.
