Para Los Niños’ Annual Benefit is our largest fundraiser of the year, welcoming 250 of Los Angeles’ largest corporate and philanthropic leaders to celebrate our mission and impact.

On May 19th, PLN will honor Cindy and Jake Winebaum for their decades of support and partnership to help children and youth on their path to success.

Our work impacts over 10,000 children and families each year from infants to college graduates, and on this night, we get to highlight their stories. With videos, presentations, and images that shine a light on our families’ successes, we hope to inspire and encourage those in attendance to support our mission and become advocates themselves.

Para Los Niños fosters pathways to success through excellence in education, powerful families, and strong communities for children and youth to thrive.

**Early Education**
At our seven early education centers, we provide more than 450 children with high-quality academic, social, and emotional education to become lifelong learners. Working closely with children as young as six-weeks and engaging parents, we ensure they have a strong support system that will carry them to success well beyond preschool.

**TK-8TH Education**
Our Gratts Primary Charter School, Charter Elementary School, and Charter Middle School provide quality education, wraparound services, and after-school services to nearly 1,000 children grades Transitional Kindergarten (TK) - 8. Our project-based approach keeps students intellectually enriched and our social emotional integration develops vital skills like confidence and character.

**Youth Workforce Services**
Over 2,000 youth and adults are provided opportunities and support to complete high-school, move on to college, build their careers and engage in their community each year. Through workshops, mentorship, internships, and case management, our staff helps to open new opportunities for students and families to become self-sufficient and reach their full potential.

**Student & Community Services**
We build a strong foundation with thousands of children and adults annually through leadership and support groups, ESL education, in-home counseling, clinical support, and parenting workshops. Our services strengthen families and create a supportive community to help children and families thrive.
